Services Provided by Edupedia Overseas for Universities

You Dream, We Make it Happen

Our objective is to assist learners make informed decisions that are correct for them, guide them through the entire cycle of higher education, as well as their parents and advisors. Every year, countless learners from EduPedia Overseas go overseas and are pleased with their decision. Owing to our transparent and reliable job, our present learners often suggest our admission service among their friends.

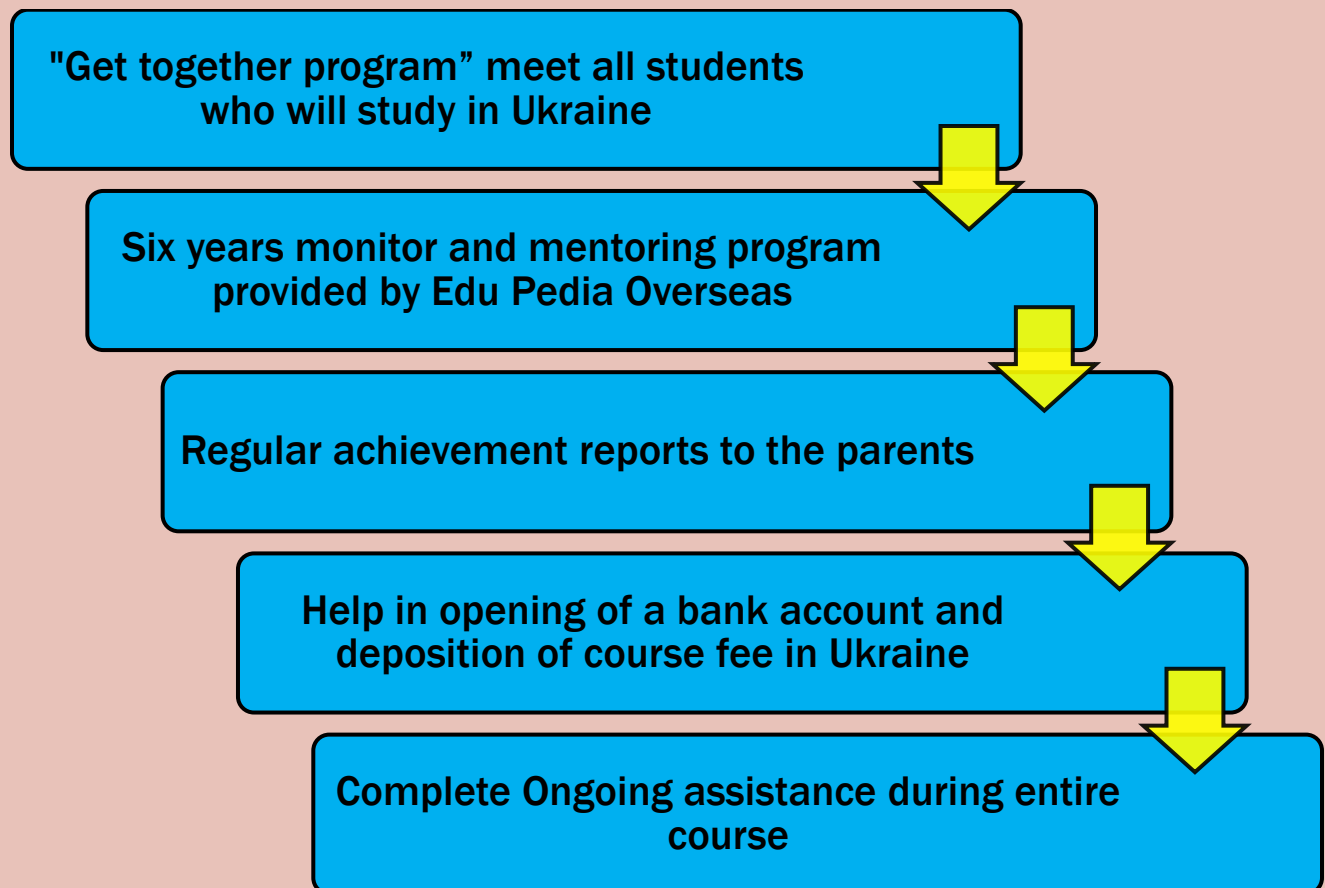

The services provided are included in the Indian Processing Fee. We at Edupedia Overseas with more than 14 years of experience are mostly cared about your wards and help them cope up with their dream in every possible way. We highlight your priorities and guide you in maintaining in mind your aspirations.

Academic assistance:

Once you fly away, our relationship doesn't end. It's just beginning all over again. We not only provide assistance in joining and entering the University, but we also take that extra step to assist the students in their academics. Our counselors will remain accessible 24 hours a day to guarantee that during your entire stay you do not face any difficulties at all. Our counselors, many of whom studied overseas, will assist you select the best choice. We're not going to leave any stone unturned to make sure you get to your college / university without any trouble.

We provide services as follows in academic sectors.

Services for the New destination.

Learning from others is vital when it comes to taking ownership to develop your career. That is why there is such a significant role to play in mentoring and career discussions. And we at Edupedia are so keen about that. Right from the moment we take in charge, till the time the students finish their Degree, we take complete care of them.
